THINK AGAIN

TAKE HOME

Wonder about it!

What is one thing you're curious about from this week's part of God's big story?

How can you live differently or respond to God with what you're learning?

Family Conversations

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

What's something you're good at? • What's something you can ask God to help you with this week? • What's one thing about God that you know is true? • How can we worship God together as a family and make sure we keep our focus on Him?

Walk It! Act It! Move It! Tower of Babel Talent Show

Get together and have a family talent show. Invite each family member to do something unique, such as sing a song, draw a picture, or dribble a basketball. When each person's performance is through, instead of clapping or applauding the person, remind her that God created her for a purpose by saying, **"Wow! God sure did have a good plan when He created you."** Remind each other that God's plan is enough, and we don't need to do things our way, so others think we are important. Instead, God invites us to be part of His plan. God is the best, and His plan is enough!

Bible Memory - Stacking the Word of Wonder

Use cardboard boxes, toy blocks, or even canned goods to have a family tower-stacking Bible memory relay! On each box, block, or canned good, write one word or the reference from the Word of Wonder: 2 Timothy 2:13. (Note that if you'll need 16 stacking items if using the NIrV and 13 for the NIV.)

Place the prepared stacking items at one end of the hall or yard and designate a building area at the other end. On your signal, each family member will take turns finding the item with the next word in the verse on it and placing it in the building area. Continue until all blocks have been used and the Word of Wonder tower is complete. If your family includes multiple kids and adults, prepare materials for two towers and have a kids versus adults Word of Wonder stacking race!

Say the verse together. Then review the Tower of Babel story and remind kids that even when we are not faithful to God and try doing things in our own power, He is faithful to us and His plan is always enough!

TOWER OF BABEL
LESSON 2

WONDER TRUTH:
God's Plan Is Enough

SCRIPTURE:
Genesis 11

GOD'S BIG STORY:
After the flood, the people choose to build a tower to reach heaven and connect with God, but they never ask Him what His plan is. God scatters them and confuses their language—because God's redemptive plan is enough!

WORD OF WONDER:
Work together on memorizing this verse!

2 Timothy 2:13
If we are unfaithful, he remains faithful, for he cannot deny who he is.
