Wonder about it!

What is one thing you're curious about from this week's part of God's big story?

How can you live differently or respond to God with what you're learning?

Worship Response:
Flashlight Dance Party

The Word of Wonder for the I AMs of Jesus series is from John 8:12. In this verse, Jesus says, "I am the light of the world. Anyone who follows me will never walk in darkness. They will have that light. They will have life." As a family, gather as many flashlights as you can find. Go to a room that is easy to make dark or dim. If you have glow sticks, this would be a great time to crack them! Find the [I AMs of Jesus Worship@Home Spotify playlist](#) and have a dance party in the dark. Every time you hear the words *light, life, or way*, turn your flashlights on and spin around!

To help memorize the Word of Wonder, pause between each song and together say Jesus' words from John 8:12.

Family Conversations

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

How do you get around someplace you've never been, like a theme park or shopping mall? • Do you think there's a way to be with God? How? • Are there people who can help us understand the way to God? Who?

Walk It! Act It! Move It! - Make a Map

As a family, go on a treasure hunt with homemade maps. Have everyone choose a precious item (treasure) and gather in the kitchen. Some ideas for modern treasures include favorite toys, gifts from loved ones, books, or tablets. Then invite each person to draw a map of your home—deciding for themselves how detailed they want to make it, whether to include a driveway, yard, etc. Or, if desired, each person could claim one room or area and draw a map of that location. Invite one person at a time to hide her treasure and then mark it on her map. Swap maps and use them to discover each other's treasures!

After finding all the treasures, talk together, saying: **Jesus is the way to God, and He is so much better than a map! Jesus shows us what God is like. When we see Jesus, we see God the Father! And when we follow Jesus, we get the best treasure of all—living with God forever! What are ways we can follow Jesus today?**
